The mistake that a lot of people make when recovering from a breakout is attempting to dry out the skin but once the wound has closed it is important to keep it moisturised in order to promote healing and prevent scarring and further breakouts caused by overproduction of oil.

I have created a few different looks using the same block-heel boots from Little Mistress to inspire your autumn/winter wardrobe! A shirt dress or jeans (pictured above) are both great options to pair with your new footwear.
