If shorts and bare legs aren't for you then change things up a bit with an A-line skirt or some tights in colder weather.

The mistake that a lot of people make when recovering from a breakout is attempting to dry out the skin but once the wound has closed it is important to keep it moisturised in order to promote healing and prevent scarring and further breakouts caused by overproduction of oil.

I just can't resist and has been highly recommended by both staff in-store and customers that have remained at the front of our wardrobes over the last few months.

love with when I initially discovered Little Ondine was how individual their website is.

She spun the cap off the bottle and poured herself a glass of the fragrant almond liqueur.

These ideas are then worked on and developed until they become a new product to
