: With this mid-grey colour, I embrace the gloomy British weather and have paired this sophisticated manicure with some golden tattoos which are always hugely popular during party season! Sweet Liquor It was an amaretto-on-the-rocks kind of night.

Helen Moore is proud to admit that many of their design ideas come from both customers and staff.

On my last few visits to Lush there has been one product in particular that

As well as the jumper (H&M) providing warmth, the mustard colouring looks to be extremely popular this year and helps to draw the eye upwards, making the overall outfit appear more casual.

I have created a few different looks using the same block-heel boots from Little Mistress to inspire your autumn/winter wardrobe! A shirt dress or jeans (pictured above) are both great options to pair with your new footwear.

With items typically ranging from 150- 200, this is occasion wear that will be sure

You can expect to see me wrapping up in some cosy Helen Moore designs this

Her enchanting presence could not be ignored.

Another great feature of this product is that when you are ready to remove your scarf or a coat to keep you warm on those winter walks, Helen Moore has
