You can expect to see me wrapping up in some cosy Helen Moore designs this

Her enchanting presence could not be ignored.

As well as the jumper (H&M) providing warmth, the mustard colouring looks to be extremely popular this year and helps to draw the eye upwards, making the overall outfit appear more casual.

On my last few visits to Lush there has been one product in particular that

One of my favourite ingredients included in Magnaminty is honey as this is a natural antiseptic that is perfect if you have any active blemishes and also has moisturizing qualities.

years winter coats and heavy knits have begun to replace the playsuits and floaty dresses

nail varnishes in preparation for the frosty months ahead: The first thing I fell in

: With this mid-grey colour, I embrace the gloomy British weather and have paired this sophisticated manicure with some golden tattoos which are always hugely popular during party season! Sweet Liquor It was an amaretto-on-the-rocks kind of night.

Helen Moore is proud to admit that many of their design ideas come from both customers and staff.

There is one designer in particular that has become a favourite of mine due to the gorgeous prints and materials that she chooses to use: Rebecca Rhoades is an independent London based fashion designer who has a passion for creating beautiful and unique garments for women of all ages.
